We celebrate our ministry partnership with YouVersion in two ways: Through audio offers of *Thru the Bible* in global languages and through a new condensed way to study Dr. McGee's book studies. Try the four Gospel studies now available on the YouVersion app and let us know what you learned in this fresh new way to study. In the app, search for "McGee." Or go to TTB.org/youversion for links.

THRU the BIBLE

with J. Vernon McGee

DO YOU SEE IT?

"TAKING THE WHOLE WORD
TO THE WHOLE WORLD."

Our new logo is now fully distributed among our global partners, reaching speakers from over 120 languages. The simpler design is able to adapt to digital platforms and media.

KOL EL KETAB

Thru the Bible's 5-year Arabic study on satellite television.

In addition to the new Arabic TV program that blankets the Arabic-speaking world (420 million), **a new Farsi version of the program has launched** to reach the more than 110 million Farsi speakers worldwide and specifically in Iran.

And perhaps the power behind it all, at least **10,000** people intercede every day for TTB's global efforts on the World Prayer Team. **We praise God for your investment.**

2019 FINANCIAL SNAPSHOT

Praise God with us for how He provides ministry partners to help financially carry His Word out—now in more languages and dialects and with technology Dr. McGee never dreamed of. Thank you for investing your prayer and financial support in what God is doing with *Thru the Bible*. His work is a privilege to be a part of, and we invite you to join in the blessing of seeing God at work—in us and through us as we share Jesus Christ with the world.
